Question(f): What did Nancy do yesterday afternoon?

次の(3)の問題では、ALTのKate先生が英語の授業で話しています。内容に関するNo.1からNo.4の質問が、3ページに示してあります。それを今から20秒間で確認しなさい。(間20秒)

それでは、始めます。

※ Today, I'd like to tell you what I do on weekends. I am a member of a volunteer group for people who love the mountains in our town. Every Saturday I usually do my volunteer work. I will tell you two important things we do for our mountains.

The first is cleaning. Do you know what day August 11, 2016 was? It was the first Mountain Day. We cleaned the mountains on that day and about 100 members worked together. That was my first time to do cleaning and it was great. After that, we cleaned the mountains two more times in that month.

The second thing is taking pictures. Yesterday, I went with other members to put some pictures on the wall of the station. You can see the pictures we took last summer. If you go there, you can see that our town has great and beautiful mountains. It is wonderful to share our beautiful nature with more people. That was the reason for putting the pictures on the wall.

繰り返します。※ 略
